

TIME TO TEE IT UP!

3RD ANNUAL KIDS IN CRISIS GOLF TOURNAMENT

"COME AND ENJOY A GREAT DAY OF GOLF AND HELP A GREAT CAUSE"

KD KANOOPY CARES
SHOWING OUR HEART, IN COLORADO

Friends of Kids in Crisis

LEGACY RIDGE GOLF COURSE

FRIDAY, JULY 30TH @ 8AM

If today is like any other day, three children will die because of abuse or neglect. Approximately three million cases of child abuse are reported each year in this country and nearly three times that many go unreported. An estimated 1,400 children died due to abuse or neglect during 2002. The Family Crisis Center is located in Denver and currently shelters children ages 10 to 18 whose lives have been impacted by abuse or neglect. The Family Crisis Center seeks to provide new opportunities for children and adolescents that will enhance their lives and ability to function in the community. While at the Family Crisis Center, children have access to medical care, mental health treatment, onsite schooling, family counseling and visitation. In 2003, over 700 children received varying levels of care or treatment at the Family Crisis Center. The Friends primary goal is to improve conditions for children who have been impacted by abuse or neglect.

KD Kanopy is sponsoring a Golf Tournament to help kids in crisis. We are asking everyone to join us in the battle against child abuse. You can help by donating a prize for the raffle or a monetary donation, all of the proceeds will go to help children that are either being abused or live in an abusive home. Please give from the heart and help us raise awareness and protect a child's future.

All donations are tax deductible, please call or email if you have any questions. If you would like to participate in the event or provide a hole sponsorship, please contact us and we will send out an information sheet. Thank you for your time and your donation, without people like you, Kids in Crisis would not be able to continue to do the valuable work that they do.
